The Department of Materials Science and Engineering (DMSE) at National Tsing Hua University, Taiwan, is the first, the largest and the most renowned DMSE in Taiwan. The DMSE has strengths and interests across full spectra of materials researches, and is equipped with the richest state-of-the-art facilities and supportive staffs. Now, we seek tenure-track position at all levels, starting in August 2018. Faculty duties include teaching at both graduate and undergraduate levels, executing outstanding researches, and serving the department and university.

All applicants must hold a Ph.D. degree in Materials Science and Engineering or the related fields by the start of employment. In addition to the standard salary, we also offer the outstanding recruits a housing allowance of NT\$ 10,000 per month, and an additional merit pay of NT\$ 30,000 to 60,000 per month.

Each application should include:

- Curriculum Vita (including studying and working experiences, specialties, teaching interests, and research interests)
- Hardcopy of degree certification
- Grade reports of both undergraduate and graduate programs
- List of publications (including N/M, IF, and citations)
- Teaching & Research statements
- Three letters of reference

The applicants should submit the required documents aforementioned by January 5, 2018 to: Prof. Ta-Jen Yen, the Chairman of Department of Materials Science and Engineering, 101, Sec. 2, Kuang-Fu Road, Hsinchu 30013, Taiwan, and email them to: mse@my.nthu.edu.tw (Please notice that the application materials will not be returned to applicants.)
