

## Return Postage ( Courier & Signature Parcels )

For those who are submitting their applications by mail, please enclose a self-addressed Courier & Signature service parcel. Either New Zealand Post Courier, New Zealand Couriers or Aramex (formerly Fastway Couriers) are acceptable.

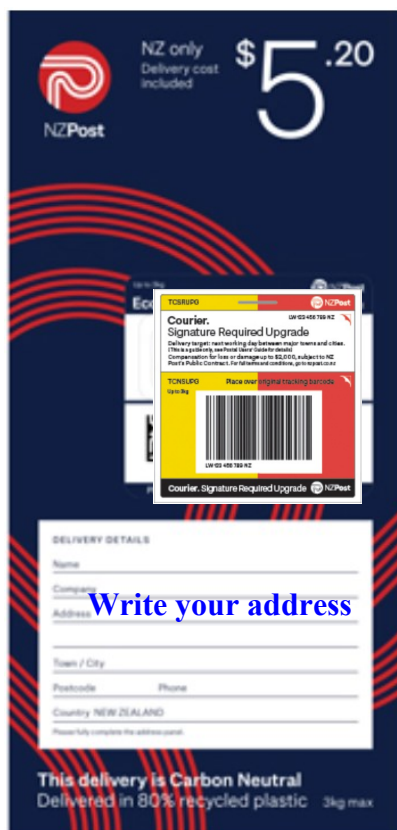

To avoid any unexpected issues during delivery, the courier bag must:

- have your full residential address written clearly.
- be of an appropriate size, if there are more than two applicants or too many documents enclosed, please provide a medium or large courier bag.
- be upgraded to the signature required service if sending valuables (e.g. passports / national ID cards / original copies of other identity / legal documents).

New Zealand Post Couriers also provide Rural Delivery and Saturday Delivery services. For more details, please refer to their website.
