### 服務項目

#### 提供漢學研究資源服務

蒐集、整理海內外漢學研究論著，包括西文博士論文、海外佚籍複製品、敦煌經卷微捲，以及國際與大陸地區出版之漢學書刊資料，並引進國際與大陸重要學術資料庫。在國家圖書館 6 樓設置「漢學研究中心資料室」和「利瑪竇太平洋研究室」，提供各種資料流通和諮詢服務。

建置「漢學研究中心資訊網」(<http://ccs.ncl.edu.tw>)，除呈現本中心各項業務外，並開發專題資料庫，如漢學中心出版品全文資料庫，經學、兩漢諸子、魏晉玄學、敦煌學論著目錄及明人文集聯合目錄等資料庫。

#### 出版漢學論著

定期編印《漢學研究》(季刊)與《漢學研究通訊》(季刊)。前者係以中國文史哲研究為主體之國際性學術期刊，供國內外學者發表中英文論著與書評，學術評價很高，在科技部歷次期刊評比皆名列前茅，且為人文學引文索引核心期刊(THCI Core)。

《漢學研究通訊》旨在報導國內外漢學研究動態，包括研究成果綜述、國際漢學、漢學人物、學術會議、漢學機構等；在國內外設有通訊員，定期提供各研究機構、大學系所之訊息。上述二刊物皆同時發行紙本與電子版。

自民國 95 年起發行《漢學研究通訊電子報》，按月免費以電子郵件寄送訂閱者，

強化學界消息之即時性功能。

此外，不定期出版漢學相關書目、索引等工具書及論著類叢刊。

### 獎助外籍學人來臺研究

本中心自民國 78 年起，實施「外籍學人來臺研究漢學獎助」，每年提供研究補助費與來回機票，獎助海外大學相關系所之教授、副教授、助理教授、博士候選人，以及研究機構之研究人員，來臺研究漢學；研究期間以三個月至一年為限。期滿須繳交研究報告。本中心為獎助學人舉辦學術討論會「寰宇漢學講座」及文化參觀活動。迄今已獎助過 40 多個國家 400 餘位學者，民國 100 年起為歷年獎助過的學人成立「世界漢學學友會」，以加強聯繫。

由於績效良好，本中心自民國 99 年 9 月起受外交部委託辦理「臺灣獎助金」(Taiwan Fellowship) 行政業務與接待事宜。

### 辦理各項學術活動

為增加國內外學人研究之交流，並提昇國內研究風氣，兼藉會議共謀資料之蒐集與利用，本中心經常聯合各學術機構主辦國際性研討會，例如「全球視野下的漢學新藍海」、「圖書、知識建構與文化傳播」等國際學術研討會。本中心積極參與國際組織如美國亞洲學會 (AAS)、歐洲漢學學會 (EACS) 等，並於其年會中舉辦書展，藉以推廣臺灣漢學研究與出版成果。

## Center for Chinese Studies

The Center for Chinese Studies (CCS) was established in 1981 under the guidance of the Ministry of Education as the Resource and Information Center for Chinese Studies. The name was changed in 1987 to its current appellation. The purpose for its establishment was to promote research in Chinese studies, both in Taiwan (the Republic of China) and overseas, and to facilitate communication among scholars and institutions worldwide.

CCS is housed in the National Central Library, with the Director-General of NCL serving concurrently as CCS Director. Its future development is guided by an advisory committee whose members are appointed by the Minister of Education. CCS is split into Materials and Liaison Divisions.

### **Our main services are as follows:**

1. Chinese studies resource services
2. Research grants for international scholars
3. Publication of the *Chinese Studies*, the *Newsletter for Research in Chinese Studies*, and other reference works
4. Organizing and participating in academic activities held in Taiwan or abroad

### **Chinese Studies Resources**

CCS maintains collections of domestic and foreign works on Chinese studies. These include foreign doctoral dissertations, facsimiles of rare books that do not exist in Taiwan's collections, microfilms of Dunhuang manuscripts, and sinological research materials and important scholarly databases from foreign countries and mainland China. Located on the sixth floor of the National Central Library (NCL) are the CCS Materials Division and the Matteo Ricci & Pacific Studies Reading Room, which provide a variety of circulation and advisory services.

The Center's website (<http://ccs.ncl.edu.tw>) provides more information on these services, and contains a number of specialist subject databases, such as the Full-Text Database of CCS Publications; Bibliographies of Research on the Classics, on Han Scholars, on Wei-Jin *Xuan Xue* Philosophy, on Tun-huang Studies; and Contents of the Combined Collection of Ming Authors, etc.

### **Publications**

CCS publishes two quarterly periodicals. The *Chinese Studies* is an international academic journal focused on publishing articles and book reviews on Chinese literature, history, and philosophy, providing local and overseas scholars with an opportunity to publish their work in Chinese or English. It enjoys a high academic reputation, consistently ranked by the Ministry of Science and Technology as among the best periodicals in Taiwan, and is designated a Taiwan Humanities Citation Index (THCI) Core journal.

The *Newsletter for Research in Chinese Studies* reports on developments in local and overseas Chinese studies research and includes research summaries, academic conferences, and introduces sinologists and Chinese studies institutions. It provides regular updates on the activities of research institutes and university departments.

Both the *Chinese Studies* and the *Newsletter for Research in Chinese Studies* are simultaneously published in paper and electronic editions.

From 2006, the Center also began publishing the *E-Newsletter for Research in Chinese Studies* in order to present academic news in a timely fashion. The *E-Newsletter* is sent out to subscribers free of charge via email every month. Reference books and proceedings are also compiled and published occasionally.

### **Research Grant for International Scholars**

Since 1989, CCS has offered the Research Grant for Foreign Scholars in Chinese Studies, which every year provides research stipends and travel subsidies to international scholars of Chinese studies who have plans to conduct research in Taiwan. Professors, associate professors, assistant professors, doctoral candidates, as well as researchers at foreign institutions are eligible for the grant. Grants are available for periods ranging from three months to one year. The Center requires grant recipients to present a research paper at the end of their research tenure. CCS also regularly arranges seminars and other cultural activities for visiting scholars. To date, the Research Grant for Foreign Scholars in Chinese Studies has supported over 400 scholars from more than 40 countries; in 2011, the Center set up a membership group comprised of all past grant recipients, the "Center for Chinese Studies Scholars Worldwide," to strengthen its contact with previous visiting scholars.

Due to the success of the Research Grant for Foreign Scholars in Chinese Studies, in September 2010 the Center was tasked with administering the Taiwan Fellowship, a new grant offered by the Ministry of Foreign Affairs.

### **Academic Activities**

In order to promote interaction and exchange between scholars in Taiwan and overseas, CCS regularly collaborates with other academic institutions to sponsor international academic conferences and symposia. Recent examples include the International Conference on New Territory for Chinese Studies, and the International Conference on Chinese Books, Knowledge Construction.

The Center also actively participates in international organizations such as the Association for Asian Studies (AAS) and the European Association for Chinese Studies (EACS). By holding book exhibitions at their annual meetings, CCS provides a showcase for Chinese studies research carried out and published in Taiwan.
