Taiwan

On the west Pacific Rim and to the east of China, with a population of 23 million and a land area of 36,193 km², Taiwan is one of the most energetic economic entities in Asia and in the world. Taiwan is well-known for its high-end information technology, energy industry, biotechnology, and healthcare. Also, it is a haven for natural and cultural marvels, and a safe and warm place for foreign people.

Tainan

Tainan is the first ancient capital of Taiwan. This city continues to host a variety of cultural festivities and religious ceremonies all year round. Traditions have been well sustained in this modernized city. The city's gourmet food culture guarantees one can find delicious food of every kind. Life in Tainan has a charming balance between the new and the old, and the fast and the slow.

NCKU, the Top University in Taiwan

National Cheng Kung University (NCKU), founded in 1931, has transformed from a technical college into one of the most established, comprehensive universities in Taiwan. With about 21,000 students and 1,900 faculty members in total, NCKU has continued as a leader in the fields of engineering, science, management and medicine. NCKU has always been dedicated to promoting student mobility and welcomes international exchange students from partner universities worldwide every year.

Our Strengths

- A top-tier, comprehensive, and research-oriented university in Taiwan.
- Focused on global social impacts and responsibilities.
- Ranked in the top 48 to 100 globally in civil & structural engineering, computer science, electrical engineering, engineering technology, materials science and mechanical engineering (QS, ARWU, and U.S. News & World Report)
- #1 university in Taiwan in terms of technology transfer
- Strong in academia–industry cooperation, with over 20% of its annual research budget coming from industry

NCKU Ranking

#234 2021 World University Ranking
#35 2021 Asia University Ranking

#38 2020 Impact Ranking in World
#2 2020 Impact Ranking in Asia

NCKU x Taiwan - Europe Connectivity Scholarship

International Ambassador Project
Exchange/ Degree Students

Chinese Language Project
Chinese Learning Students

Future Degree Student Project
Degree-Seeking Students

Offered by Ministry of Foreign Affairs Taiwan (MOFA), this scholarship aims to strengthen relationships and to increase the mobility with European universities. Students are encouraged participation in cultural exchange and community service in Taiwan, which will help not only to build the bridge between Taiwan and Europe, but also accelerate the development of Taiwan into a bilingual nation.
