

Follow quarantine rules & Enjoy your carefree return

Instructions for passengers before arriving in Taiwan and clearance at the airport

1 Requirements to be prepared

- ✓ A personal mobile phone with access to internet
- ✓ A reservation confirmation of quarantine hotel or following one-person-per-residence requirement
- ✓ Passengers tested positive for COVID-19 abroad must defer their flights to Taiwan for > 7 days from the specimen collection date to prevent cross-border transmission of the disease.

Effective from August 15, 2022, all passengers are not required to provide a negative PCR test report issued within 2 days prior to scheduled flight time.

2 Digital health declaration before boarding

Quarantine System for Entry

Fill in your information within 48 hours before arriving in Taiwan

Choose your quarantine site

Quarantine hotel

One-person-per-residence

Present at check-in counter

Departure Place Declaration Certificate

3 Clearance upon arrival

Steps of clearance upon arrival
