

OCAC 2025 Taiwan International Medical Industry Visiting Program for Overseas Compatriot Entrepreneurs Information

I. Purpose and Objectives:

The OCAC 2025 Taiwan International Medical Industry Visiting Program invites overseas compatriot entrepreneurs to return to Taiwan and explore the latest developments in Taiwan's medical industry. Through this program, participants will gain firsthand knowledge of Taiwan's core technologies, premium medical services, and advanced product management systems, helping them enhance their global competitiveness.

The program also aims to strengthen ties with relevant government agencies and domestic industries, facilitate business matchmaking opportunities, and promote collaboration between overseas and local resources. By connecting complementary strengths at home and abroad, the program contributes to Taiwan's economic growth and supports the global outreach of Taiwan's cutting-edge medical technologies and products.

Overseas compatriot entrepreneurs currently involved in or planning to enter the medical sector are warmly welcomed to join this exchange opportunity and create mutually beneficial partnerships.

II. Program Date:

June 2 (Monday) to June 6 (Friday), 2025 — total 5 days and 4 nights.

III. Eligibility for Registration:

Overseas compatriot entrepreneurs with Mandarin communicative skills who are currently operating or interested in investing in medical and healthcare-related industries, and who are capable of assisting Taiwanese medical industries in expanding into overseas markets. Priority will be given to applicants who have not participated in any OCAC economic and trade workshops or visiting delegations in the past two years.

IV. Selection Information:

- A. Selection and recommendation will be held by overseas missions, Cultural Center or OCAC overseas offices, and furthered reviewed by the OCAC.

Candidates will be recommended by the ROC (Taiwan) embassies and missions, OCAC Culture Centers, or stationed personnel, and further reviewed and approved by the OCAC.

- B. The selection results are expected to be issued via official letter in May 2025 to the local overseas missions and Culture Centers, who will notify the qualifiers to log in to complete personal information registration through the OCAC Overseas Compatriot Affairs Activity Registration System by the designated deadline.

V. **Program Agenda:**

This 5-day, 4-night program will include visits to relevant government agencies and institutions in Taiwan's medical industry, keynote lectures, attendance at the 2025 Medical Taiwan: International Medical, Heal & Care Expo, corporate visits, business matchmaking sessions, and panel discussions. (Please refer to the tentative agenda; the finalized schedule will be provided upon official confirmation of acceptance. OCAC reserves the right to amend the agenda based on actual circumstances.)

VI. Program Fees:

A. Expenses to be covered by OCAC:

Program attendees' lunches and dinners, accommodations, group transportation, visitations, insurance, and venue expenses for the duration of the program.

B. Expenses to be covered by the program attendees:

1. Round-trip airfare and related travel expenses between location of residence and Taiwan, transportation to and from the check-in location, and other personal expenses.
2. During the program, double occupancy rooms will be arranged. If any participant requires a single occupancy room, he or she will need to cover the difference; if any participant need to check in early or check out late, he or she should mention it in advance, and room will be arranged depend on the accommodation situation of the hotel. The relevant expenses will be borne by the participant.

3. During the program, attendees will be covered by a NT\$2,000,000 travel safety or accident insurance, with an additional 10% accident medical coverage. If attendees consider this coverage insufficient, they may choose to increase the coverage limit at their own discretion. If the attendee contracts any disease, falls ill, and requires medical treatment while in Taiwan, he or she is responsible for all related medical expenses.

VII. Important Note:

- A. Registration is limited to only 1 person from each household or company; to retain the integrity of this program, companions (including family members and assistants) are not permitted.
- B. Applicants will obtain program eligibility only after registering personal information on the “OCAC Overseas Compatriot Affairs Activity Registration System” and completing the confirmation of check-in procedures with the organizer.
- C. The schedule of this program is intensive. Attendees are advised to consider their own health and physical condition to avoid overexertion during the program, which could impact the flow of activities. To avoid wasting resources, full participation throughout the program is required. Unless with special permission granted by the OCAC, attendees should not leave the program without authorization. Those who cannot participate for the entire duration should refrain from participating.
- D. Applicants are advised to refrain from purchasing air travel tickets until they have received official confirmation of acceptance. If the attendee has any symptoms of discomfort before check-in or during the program, please inform the OCAC or staff members immediately and cease participation in the program.
