Please read notes first:

1. If recipients fail to obey the rules of scholarship guideline and related regulation, their scholarships will be revoked and any stipend or subsistence allowance given to recipients shall be returned.
2. Candidates have to submit their final admission letter to the mailbox (no matter you uploaded it before or not, we need updated information) teccinindia@gmail.com by 15 June, 2021 to secure your eligibility of the Huayu Enrichment Scholarship. In the same email, candidates are requested to declare that they are not staying in Taiwan now.
3. You are requested to join official Facebook page, "Taiwan Alumni Association in India" by searching the account name "Peters Chen"(profile photo is a giant body puppet of a Taiwanese God having photo with Indian students), and we will add you as a friend and accept as members of alumni association. Please follow the posts we provide on the FB page or IG (account name: Taiwan_message), including information on border restriction. Upon completion of the process, scholarship recipient award certificate will be officially made by the scholarship management system.
4. Currently there is travel restriction and uncertainty regarding admissions and entering into Taiwan for the coming academic year. Please keep an eye on Taiwan's news for updated information about the latest status of border restrictions related to the COVID-19 global pandemic and contact your university in Taiwan for detailed procedures in the near future. The actual award period will begin from the month that recipients arrive in Taiwan to matriculate at their Mandarin language training centres at universities. Whether beginning in September 2021 or later, the award period all end in August 31th, 2022.
5. When the COVID-19 vaccine is available to you, we strongly suggest that you complete the required vaccinations and obtain the certificate to minimize the risk of infection.
