

Information on return post

When sending post, we use the Swedish national postage service Postnord. You may as well choose to use courier service such as DHL, UPS, Fedex etc. Please send along with the application or email the waybill to swe.consular@mofa.gov.tw if using one of these courier services. When sending application via courier service (other than Postnord), please be noted that our office opens at 9:00 and closed during 12:00-13:00. Please do not ask the courier service to deliver the mail before or during the above mentioned times, as we do not take responsibility for not being able to receive your application before 9:00 or during 12:00-13:00. In addition, we do not collect application at the courier's service point.

Please use the link below to buy freight online and email us the waybill.
