The official list of scholarship recipients must be prepared no later than July 31st, 2026.
4. The Education Department of the Taipei Representative Office in Poland issues a certificate to each student who is eligible for a scholarship until July 31st, 2026 informing

of the length of the duration of the scholarship taking into account the type of study chosen by the applicant.

A Taiwan Scholarship recipient who has successfully completed a degree program may apply for a Taiwan Scholarship for a higher degree program. His or her application will be treated as a new one and will go through the same selection process. It is not possible to apply for a Taiwan Scholarship at the same or lower level of study.
