Highlights

▪ Letters of Intent (LOIs)

Signing ceremony between multinational corporations and the Ministry of Economic Affairs, showcasing confidence in Taiwan's investment environment for the next three to five years.

▪ Appreciation Awards Ceremony

Appreciation awards will be presented to foreign investors in recognition of their consistent efforts to invest in and introduce key technologies to Taiwan. We thank them for playing a key role in driving Taiwan's economic growth and integration into global industries.

▪ Keynote Speeches and Panel Discussions

As AI continues to gain momentum, its influence is extending across the entire supply chain, from semiconductor manufacturing and packaging to cooling systems and system assembly. We will bring together experts, scholars, and representatives from multinational corporations to delve deeper into the investment prospects within Taiwan's hardware and software industries amidst the AI revolution and supply chain restructuring.
