

2024 TIHTC HEALTHCARE MANAGEMENT & NATIONAL HEALTH INSURANCE PROJECT TRAINING

Nov 4th - Nov 15th, 2024 TAIWAN

TIHTC INTRODUCTION

Taiwan International Healthcare Training Center (TIHTC) was established in 2002 by the Ministry of Health and Welfare (MOHW), and executed by Taipei Hospital, MOHW.

TIHTC integrates top medical teams and resources in Taiwan and provides continuing professional development training for healthcare professionals. In the past 20 years, TIHTC has successfully trained over 2,100 healthcare professionals from 80 countries who are seeking to deepen clinical skills, and built capacity in preparation for emerging health challenges.

TRAINING OVERVIEW

Taiwan's healthcare system ranked 1st in the world for 6 years in a row (Numbeo, 2024)

Co-organized by Institute of Hospital and Health Care Administration of National Yang Ming Chiao Tung University, the training will cover core leadership and competitiveness in-depth. It will further strengthen participants' management capability in international healthcare affairs.

Taiwan is internationally acclaimed as the country with the most affordable and accessible National Health Insurance (NHI). This training will introduce the development of NHI, its policies, and cover the financial strategies in sustaining the insurance system. Furthermore, topics such as smart hospitals and the use of AI in the efficient management of hospital administration will also be discussed in the training.
